DONALD BRIGGS, '33
President of the Maryville College
Alumni Association

Dear Maryville College Alumni:

As the many of you who were present will agree, Saturday, October 12, was an exciting and satisfying Homecoming Day on College Hill. However, we did manage to have a short meeting of your Executive Board in order to plan some future events.

Commencement time is of course a most important time for Seniors, but it is also the traditional season for Alumni class reunions. It may seem to be a little early to be writing about class reunions next May, but we feel that the sooner we all make our class and personal plans, the better our activities will be.

Under our general set-up, each Senior Class President is permanent leader of his class. The classes who will normally hold reunions in 1958 and their respective classes are listed on page nine. No doubt the presidents will be getting in touch with their classmates early next year. In any event, if your class is on the schedule, we are sure that your President will be glad to hear from you and to learn of any suggestions you may have for your reunion.

Let's do all we can to make 1958 a big reunion year.

Sincerely,
DON BRIGGS

ABOUT THE ALUMNI PRESIDENT:

Don Briggs, a member of the Class of 1933, is employee benefit manager for ACF Industries, Inc., of New York City. He is responsible for the supervision and administration of the company's pension and group insurance plan, a pretty big undertaking as ACF Industries employs 17,000 workers and has 22 plants in 12 states.

He is married to the former Ruth Farlee, an alumna of Maryville College in the Class of 1934. They have two children, one of whom is a sophomore at Maryville this year. Don and his family live in Freeport, Long Island, N. Y.

RALPH W. LLOYD
President of Maryville College

DEAR FELLOW ALUMNI:

1. FOUNDERS DAY AND HOMECOMING on October 12 proved to be successful and pleasant—except the football score at the end of the day. Alumni President Don Briggs and many others returned to the campus for all or part of the day and participated in the various events. Dr. Joseph J. Copeland, Pastor of Second Presbyterian Church, Knoxville, of which Dr. Isaac Anderson, first President of Maryville College, was first Pastor, in a brilliant address made Dr. Anderson live again for students, faculty, and alumni. This was the 25th Founders Day Convocation, the observance being inaugurated in 1933 when we moved the remains of Isaac Anderson and his family from the old New Providence Church cemetery to our little college cemetery.

2. THE CHAPEL ORGAN, built during the past two years in Cleveland, Ohio, by the Holtkamp Organ Company, America's oldest organ builders, and installed during the summer, has provided new inspiration this year. It will be formally dedicated on the evening of November 26, in connection with which there will be an organ concert by Dr. Theodore C. Schaefer, distinguished organist of Washington, D. C. Elsewhere in these pages is a description of the organ. With this and the one at the Fine Arts Music Hall we have two of the most notable organs in this part of the nation.

3. THE BOARD OF DIRECTORS of the College has six new members elected by the Presbyterian Synod of Mid-South last June. Also there are now seven Honorary Directors elected by the Synod in accord with an amendment to the By-Laws of the College creating the category of Honorary Director for those who reach retirement age as ordinary members of the Board and such others as Synod may elect. This plan strengthens the Board by increasing its number from the thirty-six specified in the College Charter and By-Laws, to this number plus the Honorary Directors who have all the duties and rights of Directors except to vote and hold office. Elsewhere in these pages is a list of the new Directors and Honorary Directors. The enlarged Board met October 11-12.

4. THE NEW DORMITORY is nearing realization and our architects promise that we can move in next September. We hope to have a "ground breaking" before long, but cannot set the date yet. Our application to the U. S. Government for a college housing loan of $400,000 has been finally approved. We plan to add half of it to the $200,000 we now have on hand for the new women's dormitory, and use the other half to rehabilitate Carnegie, Pearsons, and Memorial Halls. We will not invest in a major remodeling of Baldwin because the present plan calls for using it only a few more years and then replacing it with a new general administrative or academic building appropriate for that front central location.

5. THIS YEAR'S OPERATING BUDGET is the largest in the College's history due in part to the general inflation, but due chiefly to increases in salaries which we count a first priority. We have made some salary increase annually for several years and propose to continue to do so. Last year our operation came out in the red. It will be even more in the red this year, unless we receive twice as much in unrestricted current gifts as in past years. I wish to appeal to everyone among the alumni to include a gift to the operating budget of the College this year, through the Buck-of-the-Month plan or otherwise.

With hearty good wishes.

Cordially yours,

Ralph Waldo Lloyd

Alumni Homecoming - October 12, 1957

In spite of the very early date and the vicious flu epidemic, the 1957 Homecoming celebration was an outstanding success. A succession of carefully planned features kept a large crowd of returning alumni busy and enthusiastic.

At the 25th Founders Day Convocation, Don Briggs brought greetings from the more than four thousand Maryville College alumni. The principal address for the occasion was delivered by Dr. Joseph J. Copeland, pastor of Second Presbyterian Church, Knoxville.

The Alumni luncheon, which provides an excellent opportunity for informal group reunions, continued a successful plan inaugurated last year, and nearly ninety people were present. The general consensus of opinion is that it should be made a regular feature of the Homecoming schedule.

As Don Briggs points out in his letter, a meeting of the Executive Board was sandwiched in between the luncheon and the Homecoming Parade, and several important suggestions were acted upon. The recommendations requiring immediate action are described in this issue of the ALUMNI BULLETIN.

After the parade, there was an alumni Open House in the court of the Chapel-Theatre. Mrs. Earl Blazer (Conchita Bertran, '31), Mrs. John Kenst (Faye LeQuire, '31), and Miss Jane Huddleston, '49, were in charge. An organ recital on the beautiful new Chapel organ by Mr. James Bloy of the Department of Fine Arts gave alumni an opportunity to hear the new instrument. Just before the barbecue, an informal exhibition of swimming and diving at the College Pool under the supervision of Mrs. William Largen (Edith Merle DeLaney, '48), added a bit of variety to a busy schedule.

More than five hundred alumni and friends were present at the barbecue. The two Ernies—Ernie B. Lowe, '35, and Ernie Coldwell, '35 did another wonderful job as co-chairmen of the committee on arrangements for the barbecue. The committee on serving consisted of Mrs. Edward Lyle (Edna McCamy, '29), Mrs. L. C. Olin (Bessie Henry, '20), Mrs. Roy Laughmiller (Polly Park, '43), and Mrs. C. W. Burchfield (Martha Henry, '27).

The entire program was the direct result of extraordinary cooperative planning. At least thirty people worked "behind the scenes" at the barbecue, another fifty contacted alumni in the Maryville-Knoxville areas in the novel Operation Tel-Alumni which worked so well last year. In fact, everybody cooperated to make Homecoming a tremendous success except East Tennessee State!

A NEW ORGAN IN THE CHAPEL

On Tuesday evening, November 26, the new organ in the Samuel Tyndale Wilson Chapel will be dedicated with an appropriate program. Many alumni had an opportunity to hear the magnificent instrument at Homecoming.

The Chapel organ, unlike the one in the Fine Arts Center Music Hall, has most of the pipes enclosed by silver fiberglass fabric stretched by Knoxville Scenic Studios over wooden frames anchored to steel uprights.

Built and installed by the Holtkamp Organ Company of Cleveland, Ohio, the oldest organ makers in America, the new organ has fifty-eight show pipes which stand in an artistic design on oak windchests. These pipes are all "live" and are played as part of the organ. There are no "dummy" show pipes in either the Chapel or the Music Hall organ. The three manual console, finished in oak to match the great screen at the back of the platform, is movable, and easily placed in various positions and at various angles, as may be desirable for singing by the audience, accompaniment at such events as the annual rendition of *Messiah*, and organ concerts.

Specifications for the new organ include 39 stops, 49 ranks, and 2,564 pipes. These include a trumpet rank of 61 pipes, and in addition, there is a set of 22 chimes. The general range is approximately fifty per cent greater than that of the large organ in the College Music Hall, which was installed in 1951 also by Holtkamp.

The dedication program will be played by Dr. Theodore C. Schaefer, of Washington, D. C., organist at the National Presbyterian Church. He is also choirmaster at this church, which is attended by President Eisenhower. Commercial recordings by the choirs on the McIntosh label include works by Britten, Buxtehude, Handel, and others. Dr. Schaefer is nationally known as an organ recitalist and lecturer. Currently he is in his sixth season of accompanying Mildred Miller, mezzo-soprano of the Metropolitan Opera Company, in nation-wide tours. Other singers he has accompanied include Vivian Della Chiesa, Alice Howland, Jane Hobson, and Richard Tucker.

His program for the dedication of the organ in the Chapel will include compositions from the Baroque period by Bruhns, Buxtehude, Kuhnau, and Haydn. Romantic and contemporary composers listed include Franck, Dupre, Benjamin Britten, and Leo Sowerby.

We would like to remind you that it takes about four weeks from the time material is assembled until it is printed and distributed to alumni. If you don't see an item you sent in, therefore, it is probably because it was received too late for use in this issue.

THE ALUMNI DIRECTORY

Seldom has a project received such widespread approval and recognition as Don Briggs' suggestion in the September newsletter concerning the publication of an Alumni Directory.

"Count me in," is the universal reaction in the avalanche of notes and letters which have literally poured into the Alumni Office. Incidentally, the heavy mail resulted in the best month for the BOM receipts since last February. So Don really stirred things up with his idea.

At the meeting of the Executive Board during the Homecoming activities, the decision was made unanimously to proceed with the Directory. Various suggestions were made and many others have been received as to the best method by which to approach the project. The most practical ones have been carefully noted and we hope the result will be well received. It is quite an ambitious undertaking, and it is impossible at this time to even hazard an idea as to a publication date. However, a beginning has been made and progress will be reported in the SCOTTY-GRAMS.

Cost of the Directory will probably be limited to fifty cents, although many alumni wrote that they would be willing to invest a dollar in one. Unsolicited donations from alumni to help defray the expenses of the publication have already soared over the one hundred dollar mark, so it is at least a possibility that the Directory can be published and furnished to *all* alumni for nothing. The Executive Board was of the opinion that the Directory should be as simple as possible, with no fancy frills. A revision every three or four years would do much to help keep alumni interest at its present high level.

You'll be hearing more about the Directory as plans develop.

NEW ALUMNI FOOTBALL AWARDS

Another decision of the Executive Board has to do with the annual award of a plaque or a cup to members of the football team for special achievement.

The suggestion was made that since the members of the football team receive comparatively scant attention and recognition for their faithful performance on the gridiron, day in and day out, it would be an appropriate gesture for the Alumni Association to make two annual awards: one to the most valuable player on the squad, the other to the most improved player.

The Executive Board members unanimously adopted this suggestion with the further recommendation that the most valuable player award be made on the basis of the vote of the team members themselves, and the most improved player award go to the player who in the opinion of the coaching staff is the most improved.

Suitable trophies will be secured and presented to the players at the annual football banquet in Pearsons Hall on Monday, November 25.

Maryville College and the Community

For many years, through the Artists Series, the productions of the Maryville College Playhouse, the Faith Cooperative Parish, an extensive intercollegiate program in athletics, and numerous other projects, Maryville College has been an important influence in the Maryville community.

This year, however, the College is assuming a more important role in the various phases of community living than ever before.

A recent program launched under the direction of Dr. Winifred Shannon, instructor in French and German at the College, is a case in point. Approximately one hundred and thirty-five students at Fort Craig Elementary School are learning Spanish, French, and German in the third and fifth grades in this highly interesting experiment. Six student teachers from the College devote several hours each week to the project while six members of the College faculty act as supervisors.

Making extensive use of visual aids, the youngsters learn songs, colors, names of objects in the classroom, the parts of the body, and other simple words. Costumes and dances are used to stimulate interest.

Very few schools in Tennessee have initiated such programs: Oak Ridge, Harriman, the Peabody School in Nashville, the East Tennessee State Training School for elementary children in Johnson City—there are very few of them. So the College is really in on the ground floor with a program that has tremendous possibilities.

The Children's Theatre, which meets on Saturday mornings under the direction of Miss Kathleen Craven, is another new offering this semester which has proven very successful. There are currently thirty children enrolled, with a waiting list of twenty-six. A play will be presented each semester by the Children's Theatre group.

Therapy for children with speech disorders is afforded this year for the first time under the leadership of Mrs. C. Q. Yeaman, a new member of the faculty. There are at present seventeen children enrolled.

The Maryville College Playhouse Film Society conducts two film series each year. One designed especially for children is held on Saturday mornings. The average attendance has approximated two hundred. The series for adults, consisting largely of foreign films and some outstanding films that would not be shown normally in local theatres, is open to the community and has been attended by many townspeople.

A swimming class for children is offered each Saturday morning under the direction of Mrs. Edith Largen. There is also a class for women on a week-night.

Classes in Music and Art have been offered for many years. Currently, a total of 169 pre-college age students is taking courses in Music and 13 adults are enrolled in Music classes. Five adults are registered for Art courses, with a pre-college group numbering twenty. Additionally, Mrs. David Ramsey teaches Art in the Maryville and the Alcoa High School to a total of twenty-three students. This is a new feature this fall.

A serious effort is being made to provide a greater variety of offerings for adults in afternoon, evening, and Saturday morning classes. A new offering in Ceramics is being taught by Mrs. David Ramsey. This is an introduction to the basic techniques of pottery, including throwing on the potter's wheel and hand-building by the coil, slab, and free-form methods.

A course in Philosophy meets under Dr. Horace E. Orr, making use of the seminar method in dealing with the thinking of selected great philosophers. The seminar may be taken for credit or audited by students or residents of the community.

The College is reaching out into the community in other ways. Frank Layman, the College Treasurer, is co-sponsoring with James W. Hampton, director of public relations, a series of informal luncheons with local business men in the Faculty Tea Room.

There are the numerous traditional occasions: the *Messiah*, the May Day fete, the Easter Sunrise Service, and similar events. There are several more recent innovations, like the annual High School Day when six hundred Blount County seniors spend the day on the campus in a program sponsored jointly by the Chamber of Commerce and the College, or the annual East Tennessee Mathematics Contest, when one hundred of the high school math wizards compete in a testing center at the College with hundreds of other students throughout the state.

And there are additional plans in the hopper! A Faculty Speakers Bureau, a Counseling Center at the College—there is almost no end to the ideas with which the College seeks to fulfill a new destiny in the community. Alumni can be of inestimable aid as the College moves forward on every front. The Town and Gown relationship is but one aspect of the college program, but it is one of the most important.

ALUMNI DAY - 1957

One of the largest and most enthusiastic crowds in recent years attended the annual Alumni Dinner in Pearsons Hall during the Commencement Week program.

The members of the Class of 1932, back for their twenty-fifth reunion, stole the spotlight with a large attendance of returning alumni from all over the United States. George Osborn, president of the Class, brought brief greetings to the alumni and Mrs. Cornelius M. De Boe, of Jamestown, North Dakota, sang two numbers at the dinner. She is the former Naomi Phyllis Willingham.

An ovation was given to the members of the Class of 1907, the fifty-year Class, which was represented by five alumni. Another was present at the general alumni luncheon at noon. James R. Goan, of Blue Ridge, Ga., was unable to be present but sent greetings. Of the ten known living members of the Class, therefore, six were present during the Alumni Day activities. The following were present: Walter M. Campbell, Boulder, Colo.; Charles B. Converse, Knoxville, Tenn.; Frederick Alexander Elmore, Louisville, Tenn.; Mrs. Earl Smith (Cora Franklin), Chattanooga, Tenn.; Louis Philip Guigou, Valdese, N. C.; and Richard Clarence Samsel, Bean Station, Tenn.

A new feature in the afternoon, an Officers' Reception on the lawn near Thaw Hall, was well attended. Another innovation, an afternoon business meeting of the Alumni Association, was quite successful. Officers for the next year were elected as follows:

President, Donald Briggs, Flushing, N. Y., '33; Vice President, Mrs. Roy Laughmiller, Maryville, Tenn., '43; Recording Secretary, Miss Winifred Painter, Maryville, '15.

New members of the Executive Board were selected as follows: Dr. James R. Bennett, '41; Frank Atchison, '36; and Mrs. G. W. Burchfield, '27, all of Maryville. Two area members elected for a three-year term were Louis Blair, Cedar Rapids, Iowa, '32; and Rev. Andrew Newcomer, Bloomfield, N. J., '33.

Edwin Shelley, retiring president of the Alumni Association, presented a check for $3,000 to President Ralph W. Lloyd as the last official act of his administration. The money represented contributions to the Buck-of the Month Club, and brought to $12,000 the amount turned over to the College by the Alumni Association over a seventeen-month period.

Joe C. Gamble, Chairman of the Board of Directors of the College, reported to the alumni of the activities of the Long-Range Planning Committee which was appointed last year to study the philosophy and policies of the College.

THE 1957 COMMENCEMENT

The 138th annual Commencement exercises of Maryville College were held in the Samuel Tyndale Wilson Chapel on Wednesday, May 22. There were one hundred and eighteen seniors in the graduating class.

Miss Barbara Wilkie, of Skyland, North Carolina, was graduated magna cum laude, the second to attain this honor since 1952. A complete report on present occupations and activities of the Class of 1957 is given elsewhere in this issue of the *Bulletin.*

Dr. Robert W. Gibson, president of Monmouth College in Illinois and Moderator of the United Presbyterian Church of North America, delivered the Commencement address on the subject "What Shall I Do?"

Honorary degrees were conferred by President Ralph W. Lloyd upon the following men: Doctor of Letters—Robert W. Gibson, Monmouth, Illinois; Doctor of Music—Theodore C. Schaefer, Washington, D. C.; Doctor of Divinity—Roy Samuel Buffat, Centralia, Illinois; Doctor of Divinity—Paul M. Edris, Daytona Beach, Florida. Dr. Buffat, who is pastor of First Presbyterian Church in Centralia, Illinois, was graduated from Maryville College in 1923. Dr. Edris, pastor of the First Presbyterian Church in Daytona Beach, Florida, was graduated from Maryville in 1932. Fifty-year certificates were awarded the following: Walter M. Campbell, Boulder, Colo.; Frederick A. Elmore, Louisville, Tennessee; and Richard C. Samsel, Bean Station, Tennessee.

THE 1958 REUNION CLASSES

As Don Briggs suggested in his letter, the sooner plans are under way for class reunions, the better it will be. We all have a tendency to procrastinate!

Traditionally, each class president is permanent president of his class. We are therefore publishing the names of the class presidents of all reunion classes in the hope that they will start the ball rolling as soon as possible. We want the 1958 reunion to be the best ever.

Classes scheduled for reunion on Saturday, May 17, are as follows:

1953—President, Curtis B, Wilbanks, 228 Dauntless Lane, Hartford, Conn.

1948—President, Charles Hoglan, 403 E. Center Street, Searcy, Arkansas

1943—President, Arthur Bushing, 713 Jones Avenue, Maryville, Tennessee

1938—President, Dr. James N. Proffitt, Route 2, Maryville, Tennessee

1933—President, Ralph Conrad Quenelle, 4157 E. Hawthorne St., Tucson, Arizona

1928—President, John Gordon Jeffries, 1 School Lane, Tilton, N. H.

Get your letters going. And by the way, the Alumni office will help in any way possible, provided, of course, you give us a little break in timing. In other words, we'll do our best, within limitations!

ALUMNI CLUBS

Alumni Clubs are increasingly active. We hope this is a healthy sign!

From the Coast comes the belated news of a meeting last fall of the San Francisco Alumni in the Menlo Park Presbyterian Church. Dr. Lloyd was present, spoke of recent developments at the College, and showed some very good slides. There were sixteen alumni present.

The New York City Alumni Club met last May at Westminister Presbyterian Church in Bloomfield, New Jersey, with more than thirty in attendance. Recordings by the Choir were well received. Rev. Andrew Newcomer, '33, president of the New York Club and pastor of the church where the meeting was held, did such a good job in setting up the meeting that he was re-elected. Evelyn French, '44, was likewise re-elected secretary-treasurer. The idea of combining with the Philadelphia and Washington Clubs every two years was well received.

The irrepressible Florida Alumni met on November 2 at George Fischbach's Dude Ranch in Lake Wales with a total of 35 regular and honorary members. Friends and children brought the total to sixty-eight. Florida Alumni chairman Dick Strain, '31, read the speech which Jim Hampton, college public relations director, was to have delivered. For the second year in succession, "Scotty" had to cancel a Florida trip because of illness. Dick reported much progress in alumni contacts among Florida high schools. Movies of the Maryville-Tennessee Wesleyan football game were shown. Snell Mills, Jr., '55, was elected chairman, P. G. Rice, ex '25, vice chairman, and Sara Vawter Barnes, ex '50, is secretary-treasurer.

On Thursday, Nov. 21, the National Capital Alumni Club will meet at the New York Avenue Presbyterian Church, Washington, D. C. The Rev. John W. Laney, '51, is chairman of the group. An interesting program has been set up and we hope for a complete report for the next issue of the *Alumni Bulletin.*

COACH
LOMBE S.
HONAKER

COACH HONAKER'S RETIREMENT FROM COACHING

At the Commencement Exercises on May 22, President Lloyd made the following announcement regarding Coach Lombe S. Honaker and the audience responded with a moving ovation:

"Coach Lombe Scott Honaker, who for thirty-six years has been Athletic Director and Head Football, Basketball and Baseball Coach at Maryville College, has been advised by his physicians that he cannot undertake again the strenuous tasks of coaching teams in football or basketball.

"When he and his physicians informed us of this necessity, we asked permission to speak of it publicly in order that we might report a number of notable facts about his career.

"One of these facts is that Mr. Honaker has coached varsity athletic teams at one college for thirty-six years. This has received wide attention and official national recognition in high athletic circles. He has received an Award of Honor from The American Football Writers Association. It was reported last year that there was not more than one college football coach then in active service who had been longer at one institution. It is common knowledge that the tenure of American football coaches is uncertain and often relatively brief. Coach Honaker's thirty-six years at Maryville College is an outstanding achievement, both in length and in results. He has long been acclaimed one of the best college coaches in the South.

"Before coming to Maryville College thirty-six years ago, he had coached at Lincoln College in Illinois, Baldwin-Wallace College in Ohio, and Southwestern University in Texas.

"When we review Coach Honaker's entire career we discovered a record which, so far as we know, has never been equalled anywhere in the nation. It is this: he has coached each of three major sports—football, basketball, and baseball—more than forty playing seasons. His coaching career covers forty-five years, but in those years were two World Wars when intercollegiate athletics were interrupted. He has coached football teams forty-two years, basketball teams forty years, and baseball teams forty-one years.

"While Coach Honaker must give up his direct participation on the football field, and elsewhere, he will continue in his present capacity as Chairman of the Division of Health and Physical Education and Director of Athletics. I wish not only to express appreciation for all that he has done, but also voice the hope that being relieved of some of the duties of the past he will have increased strength for the other important work of his position."

NEW COACHING ASSIGNMENTS

John A. ("J D") Davis, Associate Professor of Physical Education and assistant football coach for the past seventeen years, was appointed head football coach for the 1957 season, succeeding Lombe S. Honaker. Also he will serve as head basketball coach, turning over to another the wrestling team, with which he has had notable success.

Marvin E. ("Big Mitch") Mitchell, last year Assistant Coach at Rule High School, Knoxville, captain of the undefeated and untied Maryville College team of 1946, was appointed assistant football coach and Instructor in Physical Education. He will coach the wrestling team during the winter season.

As in the two preceding years, Thomas M. Cragan, '41, whose regular work is teaching history, is assisting also with football.

In addition to these assignments in major sports, Associate Professor Commodore B. Fisher is working with Mr. Mitchell in directing intramural athletics, and Professor Ralph T. Case is serving as tennis coach, both places having been made vacant by the resignation of Assistant Professor Kenneth P. Johnson to become head coach and athletic director at West Georgia State College.

Later they will make more detailed reports to the President and Faculty and to the Long Range Planning Committee, in which they will include specific suggestions and ideas which they think will be of value to Maryville College.

Sport-Light on the Hill

EXTRA! EXTRA!

The fighting Highlanders came within fifteen seconds of staging the biggest upset of the year in Tennessee when they fought a highly-favored Carson-Newman eleven to a rousing 13-13 tie in the season's finale for both teams.

The Carson-Newman outfit, rated their best in ten years, was a four-touchdown favorite to overwhelm the Scots. Maryville, off to a fine start this season, had run into the flu epidemic with disastrous results in several contests, but they were high as a kite for the Carson-Newman struggle.

To the amazement of the crowd and the consternation of Carson-Newman, Coach Davis' boys threw the single-wing into the ashcan, used the T-formation as if they owned it, and played the Eagles off their feet with a breath-taking first-half exhibition that found the Scotties scoring a touchdown the very first time they had the ball. Completely dominating play against their arch-rivals for the entire first half, Maryville trotted off the field with a 13-0 lead.

Carson-Newman snapped back into the ball game in the second half with a surging ground attack that led to a score, but with only five minutes to go, Maryville worked the ball to the Carson-Newman two-yard line, where they lost it on downs. The Eagles then took off, with everything working full blast against a tiring Highlander line, and aided by a fifteen-yard penalty (the only one in the entire game!), went 92 yards for a score. The touchdown was made by a forward pass with fifteen seconds to spare—the only pass completed by either team in the game. Fortunately, the conversion was missed.

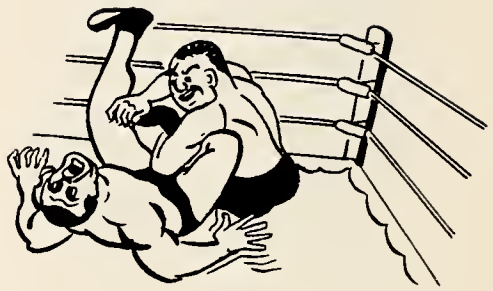
The fans who saw the game will be talking about it for years. It was a real thriller, fast-moving and clean. The result helped those of us who suffered through the Homecoming massacre to forget the indignities suffered during that long evening!

Coach John A. (J. D.) Davis has reason to be proud of his first year as head coach. He and Marvin (Big Mitch) Mitchell and Tom Cragan did a superb job with the team in the face of heart-breaking circumstances. As they'll learn to say in Los Angeles—wait till next year!

Here is a resume of the Highlander football scores:

Maryville	14	—	Tennessee Wesleyan	7
Maryville	0	—	Morehead State	12
Maryville	19	—	Centre	7
Maryville	0	—	Jacksonville State	20
Maryville	0	—	East Tennessee State	40
Maryville	13	—	Emory & Henry	48
Maryville	7	—	Howard College	20
Maryville	25	—	Concord State	6
Maryville	13	—	Carson-Newman	13

Won — 3; lost — 5; tie — 1.



Basketball and wrestling will begin very soon. Alumni living within commuting distance of the campus are urged to attend the home games. And if you live in or near a city where the teams are scheduled, how about making an honest effort to watch our boys in action?
